RE: Sheridan Industries, Inc.  
Albion/Sheridan Township Landfill

Dear Mr. Mateer:

This letter is in response to the Request for Information contained in your letter of February 9th. A couple of general observations may be helpful. Sheridan Industries, Inc., began operations in October of 1976 and I understand that the subject landfill site was closed shortly after that, in the late 70's or early 80's.

Our operations are relatively small with a total of 12 to 15 employees. Our manufacturing processes at Sheridan are considered clean cut. We use only synthetic oils which are 100% recycled.

Your questions are answered numerically as follows:

- 1) James S. Bommarito, Plant Superintendent  
10680 29 Mile Road  
Albion, Michigan 49224  
Phone: 517-629-9771
- 2) For the reasons stated below, no documents exist concerning the subject of your inquiries.
- 3) Not Applicable
- 4) I am not aware that Sheridan Industries ever received an EPA Identification Number.

US EPA RECORDS CENTER REGION 5

471016

5) James Bommarito has been with the Company from the beginning and neither of us has any recollection of disposing of any hazardous or other waste materials at the Sheridan Township landfill.

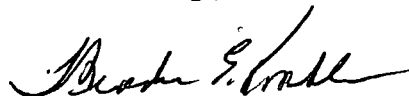

6) In regard to all of the subparagraphs of paragraph 6, none would apply to Sheridan as there were no arrangements, transactions, contracts or monies paid to the landfill or anyone connected with or operating the site. Neither Mr. Bommarito or myself have any recollection of anyone taking waste materials to the Albion/Sheridan Township landfill site.

7) As previously stated, cutting oils are 100% synthetic and recycled. All coolants and solvents are water soluble and are likewise recycled. Floor waste are treated and regularly tested and any that are not reclaimed are transported by a licensed hauler and disposed of in accordance with Michigan regulations. None has ever been disposed of at the subject site.

8) Sheridan Industries, Inc. is a Michigan Corporation with its principal office at 1013 Barnes Street, Albion, Michigan. Copies of the Articles of Incorporation are attached.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based upon my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
